

MEMBER SPOTLIGHT AWARD

Effective January 2008

Deserving chapter members may be nominated on a bi-monthly basis by their peers for the “Member Spotlight” Award in recognition of their "above and beyond" chapter service.

Nominations with a brief justification should be e-mailed to the Chapter Director. Please note that members currently serving as a Primary or Discretionary Chapter Officer are not eligible for this award.

Nominations submitted to the Chapter Director will be reviewed by the CHOG Officers at their monthly meeting [see CHOG calendar] for the purpose of selecting the most deserving nominee. Awards will be presented on a bi-monthly basis or six (6) times per calendar year. Award recipients will be notified prior to the presentation for their attendance planning and photo opportunity purposes.

Chapter members are encouraged to recognize their peers through this special award process.
